Mr. David S. Robinson
Radio Station WYBC
242-A Yale Station
New Haven, Conn.

Dear Dave,

We would be very happy to feed you our broadcast of the Yale Dartmouth basketball game on February 15. We will be carrying the game for Philip Morris as we will be all home basketball and hockey games. I trust your Technical Director will take care of ordering the necessary lines. He should check with our Director, Rit Swicker, when the arrangements have been made.

At present, I do not know what away games WDBS will be carrying. It all depends on which team gets hot, if any. If we do plan to carry the Yale games, either basketball, hockey, or both, I will let you know.

Good luck and be careful with Princeton!

Sincerely

Bud Schweich
